HORIBA Document Web Access Key

Product No. 21XXXXXXX
Company Code AAABBBCC

このラベルは製品の固有の識別子であり、登録および追加に不可欠な安全情報に属します。このアクセスキーは機密情報であり、受信者、承認されたユーザーのみがアクセスする必要があります。

HORIBA

The HORIBA Document Web Access Key label is included with the product and has Product No. and Company Code printed on it.

Keep the label in a safe place as it is required for user registration and for adding products.

User registration (first time only)

To use HORIBA Document Web, user registration and agreement to the Terms of Use are required.

1. Select the [Sign up] button on the "HORIBA Document Web" page, or select [Click here to register] on the login page.

The user registration page appears.

2. Enter the user information and select the [Next] button.

3. Read the Terms of Use and check the [Agree] box.

4. Select the [Agree] button.

A registration confirmation email will be sent to the Email address you entered.

5. Access the password setup screen via the URL link provided in the registration confirmation email, and set your password.

Once the password setup is complete, the homepage of HORIBA Document Web appears.

Viewing

The purchased products are listed on the left of the homepage of HORIBA Document Web.

1. Select [Link] in the [Document] column. The DETAILS page of the product appears.
2. Select a manual or document file from the list on the right and view it.

Adding products

When you have purchased additional products, enter the information in [Registered Product Number] on the right of the homepage of HORIBA Document Web, and select the [Register] button.

The registered product is added to the product list on the left.

- * indicates a required field.
- Enter the Product No. printed on the HORIBA Document Web Access Key label in the Product Number field.
- When the Company Code is printed on the HORIBA Document Web Access Key label, enter it in the Company Code field.
